Lanai

This small modern home has all the light, drama, and intimacy that you could want in a small house plan. The entire great room, kitchen, and dining area are 12 feet tall with clerestory windows on all four sides. The great room opens to the outside through an expansive opening glass wall. There are two efficient bedroom suites on either side of this central core. The exterior is clean, balanced and just right for a modern taste. The optional one story small house plan with garage/studio MM-615 shares the same modern styling and offers a great deal of flexibility with the upper floor studio.

Main Floor 1,439 sq. ft.

Total 1,439 Sq. ft.

66/0 W x 32/0 D
