Plan
MSAP-1908GA

56/0 wide x 43/0 deep
2,223 sq. ft.

"This home was originally built in our Designer Showcase of Homes Tour by Green Circle Construction Company. The floor plan with its huge great room and master suite on the main floor could not be more convenient. Upstairs you get three more bedrooms... this plan is also available with a prairie roof line.... See plan MSAP-1908.."
