72/2 wide x 57/9 deep
3,269 sq. ft.

"Here is a wonderful interpretation of The Frank Lloyd Wright Prairie School!! My original client wanted an immense great room with a deck at the front to take advantage of a view. We also placed the Master Suite at the front of the home facing the view with its own deck.. The curved wall den complete with fireplace is accessible from the hallway as well as the Master Suite. Upstairs are two large bedrooms and a bonus room.. The kitchen has a cozy eating nook and gathering room."
